

Sonnenberg news from sunny hill

July 2023 | Issue 23

Summer in Full Swing

The first 2 months have been busy at Sonnenberg Gardens. We have planted all the gardens and added 1035 new roses thanks to the Tianderrah Foundation gift of \$20k.

The project of the year is the historic Vinery Greenhouse. The welding has been completed by Benji Carr who is an artist from Canandaigua. The next process is to put the historic single-pane glass back into the greenhouse. This will be installed by Sonnenberg Staff.

Park attendance is up by 10% and people are enjoying the gardens and talking with the volunteers throughout the park. Thanks for being great Sonnenberg Ambassadors for our guests.

Father's Day Car Show

The Car Show on Father's Day was a huge success. There were 250 entries of show cars and almost 1800 guests.

This was the first of many Summer fundraising events and educational programming for 2023.
