Thanksgiving is Thanksliving

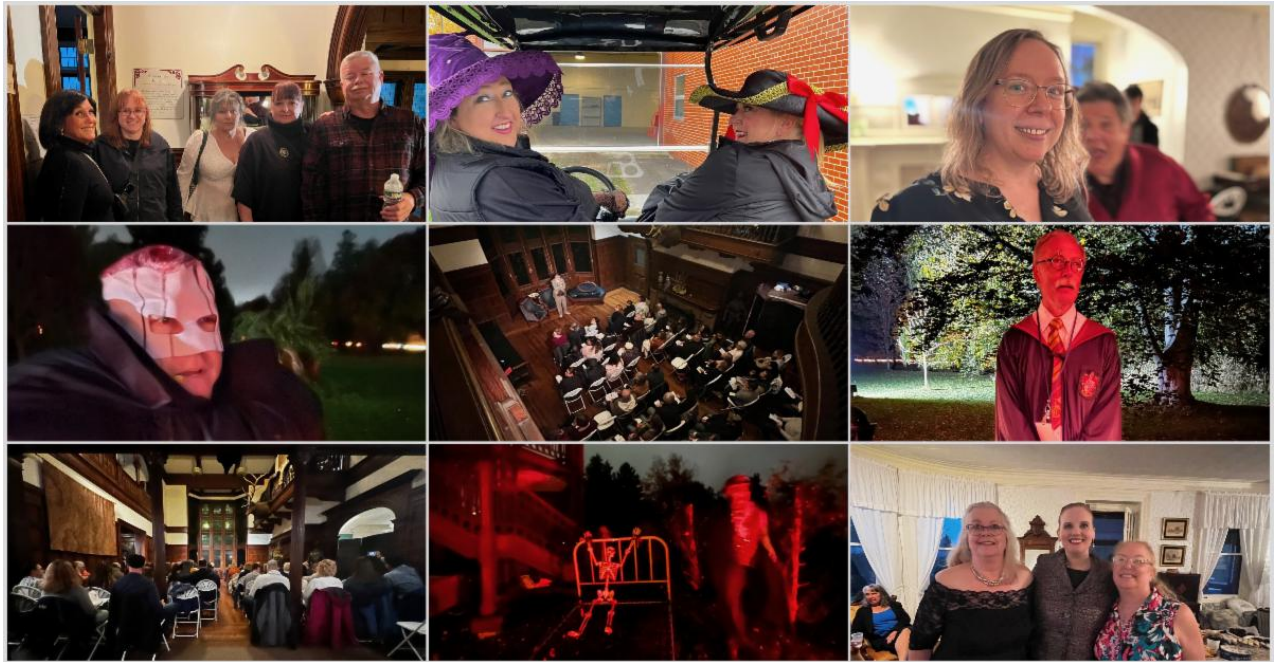

Once again, thank you for an outstanding year at Sonnenberg Gardens. First and foremost we are grateful to our volunteers for their generosity, giving us the gift of their time. Congratulations to Helen Myers and Carol Anderson posthumously as this year's recipients of our lifetime achievement award, The Mary Clark Thompson Award. We also thanked our longtime Guest Services and Volunteer Coordinator, Jun Liu for her 6 years of service.

Thank you for the generosity of our staff that once again went above and beyond for Sonnenberg to have a successful 2023 garden season when there were so many hardships. Their tenacity is priceworthy.

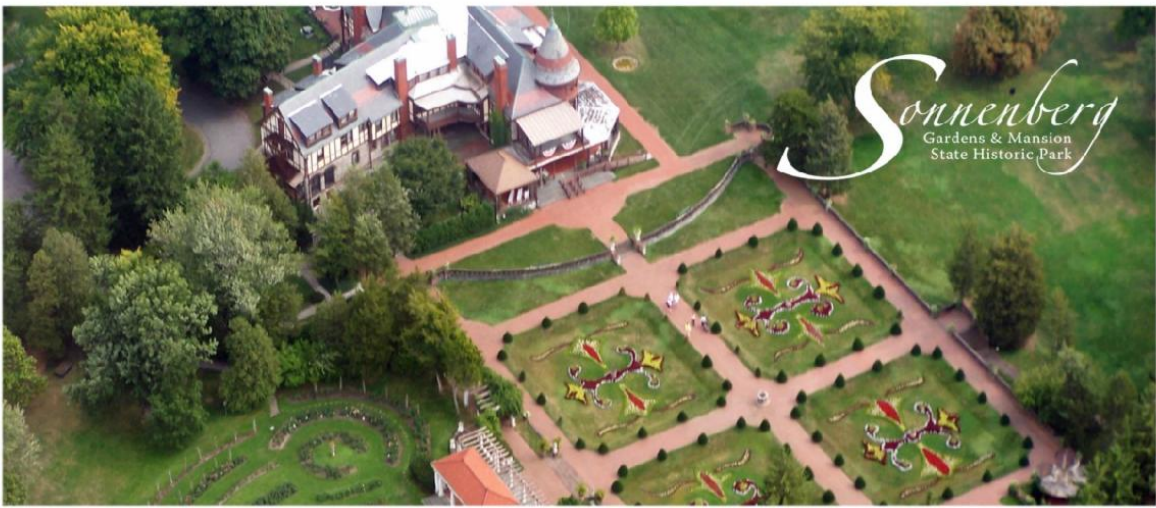

In October, we ended the season with two outstanding events. First, a sold-out 5-night Mansion Mysteries event. We are so grateful for the volunteer cast and crew. Next, a well-attended Haunted Stroll celebrating the holidays of the annual calendar performed by more than 40 volunteers. Again, we would like to shoutout thanks to the volunteer cast and crew. This year's October sponsors were Wegmans, Ryans Wine & Spirit, F.G. Rayburn Construction, Dr. Greg Gullo, Dr. Paul Harvey, & our two local banks, CNB & LNB.

2023 Annual Appeal

Of all the donations that we receive perhaps no money is more important than those given in the annual appeal. Please consider a gift today to help Sonnenberg Gardens.

"Legacy is not what is left tomorrow when you're gone. It is what you give, create, impact, and contribute today while you're here that then happens to live on." - Unknown

When I am asked to donate to an organization, I look into the specifics of how exactly my contribution is spent. I can assure you that your gift to Sonnenberg will be used judiciously. Of all the donations that we receive perhaps no money is more important than those given in the annual appeal. These unrestricted funds provide us with the essentials, the basic materials of service, from flowers for the gardens to the stationery for the office to the heating of the historic buildings. We know that the cost to open Sonnenberg's gates is \$2,500 a day for the entire year.

Please, consider giving to our fall annual appeal.

This season we have raised a substantial amount of money toward the new restrooms without discrimination and are looking to raise the last \$21,000

This year Sonnenberg Gardens was the beneficiary of a Charitable Remainder Trust. That's where YOU as a community member can follow in the footsteps of this anonymous donor. We invite you to ***donate, get involved, and become part*** of the great legacy that is Sonnenberg Gardens and keeping us financially healthy for generations to come.

All our best,

David Hutchings

You've never seen New York like this: Sonnenberg Gardens & Mansion (Video)
We were lucky enough to connect with Scott Trimble, a video journalist at syracuse.com | NYup.com | Post-Standard and he came in with another drone operator and took some amazing footage last season.
