Summer Breeze In The Gardens

In the past month we have enjoyed a major milestone here at Sonnenberg Gardens.

The Rock Garden restoration is almost complete as we have spent grant money and contributions from our local community of nearly \$1.1M to restore the waterways with our sustainable water source of the reflection ponds. Many will enjoy it for years to come!

There has also been a growth in our attendance in the first 2 months of over 1000 guests and a full wedding and public event schedule. All those who labored in the gardens, beautified the buildings, and opened the wine and gift shop are seeing the fruit of their labor.

We come to the apex of our season with Arts At The Gardens, Moonlight Strolls, & the return of August Afternoon Teas in the next 6 weeks. We look forward to you coming in for a visit for a day in the park or a special event and bringing all your friends and family.
